COMPANY OVERVIEW

What We Do

SupplyBridge Gov LLC identifies federal commodity requirements, coordinates qualified vendors, prepares proposals that meet solicitation and FAR requirements, and manages fulfillment from award through delivery and contract closeout.

Operated by a former U.S. Marine Corps Contracting Officer with DAWIA Level II certification and 15 years of acquisition-side experience, SupplyBridge Gov brings government-side knowledge to every submission — addressing solicitation requirements, applicable FAR clauses, and contracting officer evaluation standards.

CORE CAPABILITIES

What We Deliver

- Federal solicitation monitoring and requirement analysis
- Vendor sourcing, outreach, and competitive quote collection
- Proposal preparation meeting full solicitation and FAR requirements
- On-time, complete quote submission to government buyers
- Post-award PO issuance, delivery coordination, invoicing, and closeout
- TAA / country of origin documentation when applicable
